PETITION UNDER 37 C.F.R. §1.53(e)(2)

AND A REQUEST FOR A CORRECTED FILING RECEIPT

Mail Stop Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It is requested that the attached Figure 6 be accepted in the subject application.

A Notice to File Missing Parts of Nonprovisional Application was mailed by the U.S. Patent and Trademark Office on September 12, 2003 in the above-identified application, a copy of which is attached. The Notice states that Figure 6 appears to have been omitted from the application.

Applicants' Attorney states that the application as filed on June 26, 2003, under Express Mail procedures, Label No. EV 214935600 US, was filed with 7 sheets of drawings (FIGS. 1, 2, 3, 4, 5, 6 and 7). An enclosed postcard receipt, evidencing 7 sheets of drawings were submitted with the application, was date stamped and an application number assigned by the Office of Initial Patent Examination. A copy of the postcard receipt is enclosed as prima facie evidence of that fact.

Since the U.S. Patent Office is unable to locate the drawing sheet containing Figure 6, a duplicate copy of Figure 6 is enclosed to complete the application papers in the Office.

In view of the above, the undersigned attorney respectfully requests that this Petition be granted and that a corrected filing receipt be issued, the receipt indicating 7 sheets of drawings submitted with the specification, not 6 sheets.

The petition fee as set forth in 37 C.F.R. § 1.17(h) in the amount of \$130 is enclosed. Please charge any deficiency or credit any overpayment in the fees that may be due in this matter to Deposit Account No. 08-0380. A copy of this transmittal letter is enclosed for accounting purposes.

Respectfully submitted,

HAMILTON, BROOK, SMITH & REYNOLDS, P.C.
